

APPROVAL PATHS IN ADPICS

B7 The Commodity Code Approval Path (PCHL5983) has been modified. Documents that were routed to DMB Acquisition Services through the Commodity Code Approval Path will now be routed through the Document Document Type Approval Path (PCHL5981 and PCHL5982). End users will not see any changes other than the approving departments may be different.

B7 The Department of Information Technology (DIT) has been added to the Commodity Code Approval Path and CS138 (PCHL2117) for technology services will be routed to DIT.
